INSURANCE – ONLY AN ESTIMATE:

Washington Vision Therapy Center is willing to provide you with an ESTIMATE of what your insurance will or will not cover. However, we cannot and do not guarantee that the ESTIMATE we provide is correct. When we as the provider or you call in to get the ESTIMATE it is given with the statement "this is not a guarantee of payment". Please understand that while we will assist you in understanding your benefits, we have no influence over your coverage. You are ultimately responsible for all fees and charges on your account.

I understand that payment in full is due at time of service unless other arrangements have been made.

I authorize and request my insurance company to pay directly to the doctor insurance benefits otherwise payable to me. I also give permission for Washington Vision Therapy Center to release any Medical Records requested by my insurance company for claim processing. I understand that my insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.

Thank you,

I have read and accept this policy,

Statement of Privacy Practices
Washington Vision Therapy Center

7203 W Deschutes Ave Ste B
Kennewick, WA 99336
Phone 509.416.0403

Our office is dedicated to protect the privacy rights of our patients and the confidential information entrusted to us. The commitment of each employee to ensure that your health information is never compromised is a principal concept of our practice. We may, from time to time, amend your privacy policies and practices but will always inform you of any changes that might affect your rights.

Protecting Your Personal Healthcare Information
We use and disclose the information we collect from you only as allowed by the Health Insurance Portability and Accountability Act and the state of Washington. This includes issues relating to your treatment, payment, and our vision and medical care operations. Your personal health information will never be otherwise given to anyone, even family members, without your written consent. You, of course, may give written authorization for us to disclose your information to anyone that you choose, for any purpose.

Our office and electronic systems are secure from unauthorized access and our employees are trained to make certain that the confidentiality of your records is always protected. Our privacy policy and practices apply to all former, current and future patients so you can be confident that your protected health information will never be improperly disclosed or released.

Collecting Protected Health Information
We will only request personal information needed to provide our standard of quality vision and medical care, implement payment activities, conduct normal optometric practice operations, and comply with the law. This may include your name, address, telephone number(s), social security number, employment data, medical history and health records. While most of the information will be collected from you, we may obtain information from third parties if it is deemed necessary. Regardless of the source, your personal information will always be protected to the full extent of the law.

Disclosure of Protected Health Information
As stated above, we may disclose information as required by law. We are obligated to provide information to law enforcement and government officials under certain circumstances. We will not use your information for third party marketing purposes without your written consent. We may use and/or disclose your health information to communicate reminders about your appointments, including voice mail messages, answering machines, postcards, and email.

Patient Rights
You have the right to request copies of your healthcare information and to request a list of instances in which we, or our business associates, have disclosed your protected information for uses other than stated above. All such requests must be in writing. We may charge for your copies in an amount allowed by law. If you believe your rights have been violated, we urge you to notify us immediately.

We thank you for being a patient at our office. Please let us know if you have any questions concerning your privacy rights and the protection of your personal health information.
